

ADMISSION PROCESS

WHAT TO BRING

DO BRING

- ✓ Medications which may need to be taken immediately following procedure (e.g. insulin)
 - Questions about what medications to stop leading up to your procedure? **Call your Doctor's Rooms to confirm.**
- ✓ X-rays or MRI scans (if required by your Doctor)
- ✓ Your original admission paperwork (if requested by our receptionist)
- ✓ Payment for your procedure
 - Our Reception team would of told you the day prior of any fees, we accept Cash AND/OR Card Payments

To ensure you're comfortable throughout the admission process, we would advise you to...

- Shower the morning of your procedure
- Wear comfortable and loose clothing
- Remove all jewelry (including body piercings if possible)

DO NOT BRING

- ✗ Jewelry, phones or valuables with you
 - Anything you do bring will stay with you but it's preferable to leave valuables at home as many people are coming in and out of theaters and the hospital during the course of a day.
- ✗ Large groups or people or visitors
 - From Admission to Discharge patients may be present from 3-4 hours at the hospital.
 - **Our reception team will contact your pick-up person with a discharge time ASAP**, so to avoid filling our waiting room please await the call, and come at the time directed.
- ✗ Makeup or Nail Polish

Please view all our RESOURCES to assist with any questions, or concerns about your procedure, payment, admissions etc. with LDS.

Our Reception team can also help via the contact details below.
